

HOLE SPONSOR — \$300

Recognition for your hole sponsorship at the Golf Classic is far beyond the standard tournament:

- Recognition by full color logo on the tournament [website](#)
- Recognition in tournament program and on both courses
- Recognition by full color logo on dinner and awards scrolling slide show
- Recognition at hole prize table

CLICK HERE TO SIGN UP AND PAY ONLINE OR
EMAIL: Robin@conexusvision.org to confirm your sponsorship and request an invoice by mail.

100% of the tournament proceeds go to support Conexus' mission to eliminate poor vision as a barrier to learning success. As many as 1 in 3 students in our most economically challenged communities have an untreated vision problem.

Your support will allow Conexus to connect kids to care and give them the benefit of good vision as they work to achieve academic success.

HOW YOUR SUPPORT IS MAKING A DIFFERENCE

It's your generous support that allows our programs to continue to grow and expand to meet the needs of the communities we serve. In addition to providing direct services to nearly 60,000 students, Conexus has added the services of mobile exams and glasses.

Conexus Mobile brings a mobile vision lane right inside schools to offer free eye exams and glasses (if prescribed) to students who have been found to have a potential vision problem through the screening process.

Community doctors work on the clinic and see an average 22 students per day. Students who are prescribed glasses are able to pick their frames from a wide selection of stylish choices on the same day as their exam. Glasses are then shipped out of state to our partner lab for processing.

2-3 weeks after the clinic, a licensed Optician returns to the school to dispense the glasses to students. The look of wonder and excitement on their faces when they see themselves and the world for the first time in their new glasses is priceless.

Click on the pictures below to hear the reactions of some of our students.
